CHILDREN'S WEEK CONFERENCE CLOSED WITH A FINE MEETING

Fine Programs for both Afternoon and Evening Add Much Interest

ATTENDANCE WAS VERY GOOD

The Children's Week Demonstration and Survey in Charleroi was observed by the churches on Tuesday, Wednesday and Thursday, and on Friday the week's work was demonstrated by a Children's Rally, Round Table and evening meeting in the Methodist Episcopal church. The demonstration given under the direction of Miss Grace Gelder and Mrs. F. H. Welsh, of the work among beginners, was much enjoyed. The room was comfortably filled with children at 4 o'clock, and their singing was a feature. Two stories entertained the young people as told by Mrs. G. H. Thomas, of Monessen, and Miss Mary I. Bradley of Charleroi. Special musical numbers were given by a group of children from the Slavonic Lutheran school, and children of the M. E. school, under the direction of Mrs. C. C. Wright.

At six o'clock a lunch was served by the ladies of the M. E. church, and this was followed by a round table conducted by Mrs. G. M. Stewart, who introduced the co-representative, Mrs. Hazlett, of California. The following made addresses following the supper hour: H. H. Sailor of Roscoe, subject "Some Advantages of Graded Lessons"; Rev. Robert Shields, subject "How Cultivate the Spirit of Reverence and Order"; Mrs. G. H. Thomas, subject "Promotions—When—How?"; Rev. E. H. Greenlee, subject "What can a pastor do to help the adults of a church to meet the responsibilities for the religious education of the children?"

At eight o'clock the evening session was presided over by Dr. J. W. Manon, president of the Washington County S. S. Association. Devotions were conducted by the Rev. John R. Burson, and Mrs. Hazlett presented the work of the children's division from the view point of the present day teaching.

A trio composed of Miss Emma Clutter, Miss Grace Fleming and Mrs. John Metz, accompanied by Miss Bethel Bowman, gave a special number. The chief address of the evening was by Prof. George F. Dunkelberger of California, who spoke on "The Home."

The following resolutions were adopted at the close of the meeting: "We, your committee, on resolutions would respectfully recommend the following:

1. That our thanks be given to those who prepared this interesting program
2. To the speakers and singers for their inspiring contributions.
3. That our appreciation and thanks be extended to the good ladies of this church for the sumptuous repast provided.
4. To the official board of the First

DONORA Y. M. H. A. WILL HOLD MEETING

The Y. M. H. A. of Donora will hold a meeting Sunday evening in the Elks' hall in that town, at which time Richard Rauh, of Pittsburgh, will be the principal speaker. It had been erroneously reported that the meeting had been postponed altogether, but only a change in the hour of meeting was made on account of the Americanization meeting of the American Legion. The Y. M. H. A. has sent out a large number of invitations to this meeting, and it is expected that Charleroi will be well represented.

CONTINUE WAGE SCALE ONE MONTH

About one-half the motormen and conductors of Division No. 85, street car men, last night in a meeting held in Labor Temple, Pittsburgh, to continue in effect for another month or until May 31, the existing wage agreement with the receivers of the Pittsburgh Railways company, which otherwise would have expired at midnight tonight.

As this is a continuing industry, a double meeting is necessary, and consequently the night men were scheduled to meet at 10:30 this morning to take action on the proposition. This meeting is expected to approve the action taken last night.

The postponement, granted at the request of the receivers is to give more time to the receivers and the committee of the car men to agree on a new wage scale. Joint conference on which is expected to be resumed next week.

High School Orchestra Gives a Fine Concert

The sixth annual concert of the Charleroi high school orchestra was given in the auditorium last evening, and proved a most enjoyable affair. In the opinion of many present, it was the best yet given by this capable organization of high school pupils. The friends of the performers were out in force, the hall being well filled with an audience which manifested its approval of the splendid manner in which the various numbers were presented by frequent outbursts of applause.

A most interesting program had been arranged. The orchestra was heard in five numbers, two overtures, "Golden Fleece" and "King of Diamonds," by Lavalee; "Lucky Moon," by Vincent; "Bereuse," from Godard's "Jocelyn," and "Serenade D'Amour," by Von Blom. The young players did remarkably well, playing with precision and good intonation, and responded promptly to the baton of the director. Their good efforts were liberally applauded. Miss Edith Jenkins, solo violinist of the orchestra, and a young player who is making most rapid advancement, contributed Elgar's "La Capriceuse" in an admirable manner. She was compelled to respond to the applause which greeted her efforts. Miss Winifred Phillips, a talented young elocutionist, gave two selections. One was that which won for her so much approval at the recent Scholastic Literary contest at Washington, Pa., "Here Comes the Bride," and her presentation of this last evening was most delightful. She was loudly recalled. Her second number was Booth Tarkington's "Jane," which was equally well received. Miss Phillips is an elocutionist of whom more will be heard. Miss Edith Keys and Miss Dorothy Stroud, two young but most promising vocalists, contributed very materially to the success of the evening's entertainment. The former sang Denza's "May Morning," while the latter gave Pontet's "Tit for Tat," both being most pleasurable contributions. Orman Morgan, Charleroi's rising young tenor, was heard in Bevan's "Flight of Ages," and his effort was so successful that he was compelled to respond. He was then heard in a pleasing rendition of Metcalf's "Absence." A violin octette, composed of Miss Edith Jenkins and Curtis Thomas, first violins; Ha Campbell and George Wheeler, second violins; Mary Jakubec and Frank Crawford, third violins, and Kathryn Trnavsky and Herbert Lichter, gave a most delightful rendering of Handel's "Largo," and were loudly applauded for their effort. Two numbers by the Cecilians, a two part ladies' chorus, composed of high school students, were not the least enjoyable of the evening's entertainment. They were heard in "Morning Invitation" by Vezau, and Cundance's "Nursery Rhyme Suite," both selections being well given. All in all, the program was a most delightful one. Miss Harriet Underwood, the faithful accompanist of the high school orchestra, played for each one of the participants, and did her work in a manner which was much appreciated. Prof. I. T. Aniel, supervisor of music in the public schools, is deserving of no small part of the credit for the present efficiency of the high school orchestra. Something over ten years ago he organized the local organization, which, at that time, consisted of two violins, cornet, drums and piano. Today, there are over twenty young people deeply interested in this high school activity, and we say it humbly, Charleroi has eventually secured an orchestra of which its citizens might justly feel proud.

Miss Maud Beck, teacher of English in the Charleroi High school, was called to her home in Huntingdon on Thursday evening, by a death in her family.

SPEED TRAP PLACED ON LATROBE STREETS

Operating a speed trap on Ligonier street, Ligonier, on Sunday, Chief of Police Stahl and Constable Painter caught 33 motorists who are said to have been making from 25 to 40 miles per hour. It was declared that no number was taken where the speed was under 25 miles an hour. It is said the authorities are measuring off other speed traps in the town and plan a campaign to check speeding and reckless driving.

KNIGHTS PAY HONOR TO JOHN J. EVERS

Charleroi Council Knights of Columbus, entertained John Evers of Troy, N. Y., at present Manager of the Chicago National League Baseball club at a "smoker" held in the Lyceum, Friday evening. The occasion was the outcome of a meeting which took place between Dennis A. Oates, then serving as an overseas secretary for the Knights of Columbus, and John Evers, who was an athletic director with the A. E. F., also serving with the Knights which took place in France during the World War.

A special committee consisting of Tom P. Sloan, Peter Lee, John Smith and M. T. Crowley went to Pittsburgh on Friday and after witnessing the base ball game at Forbes Field, accompanied Mr. Evers to Charleroi later in the evening, arriving here at 7:30. Immediately upon arrival Mr. Evers was guest of honor at a dinner served at the Elks' Club, at which Wm. J. Ries, Jr., State Deputy, "Uncle Joe" Kerna of Utica, N. Y., M. A. Black of Kittanning and Henry Lohman and M. A. Maley of McKeesport were also guests of the committee.

From the Elks Club the party adjourned to the Lyceum, which was packed to its capacity by Knights from Charleroi, Donora and Monessen to tender the "Little Trojan" a hearty welcome. Tom P. Sloan acted as toastmaster, having been introduced by Grand Knight J. B. Smith. He in turn called on Mr. Ries, the State Deputy, John Evers, guest of honor, D. A. Oates, Jos. Kerna and James McKenney, also an overseas secretary from Monessen and Rev. Wm. Fries, all of whom had something of interest to say to their hearers. Another special guest was "Jock" Menefee of Monessen, who first signed John Evers to a contract in the National League, who also made a few remarks, while the speaking was closed by C. J. Morgan, who had a few very entertaining stories to tell.

Interspersed with the program were two three-round boxing bouts the first between DeMarco and Rowe, and the second between Mahoney and Ward. Vocal solos were also an interesting feature. James Oates favoring the audience with a number of selections.

The occasion was a success in every

J. E. Richardson Wounded by a Man Found in His Home at Early Hour

THIEF MAKES GOOD HIS ESCAPE

J. E. Richardson of Bentleyville, was it is believed fatally wounded by a robber who invaded his home on Main street in that town at one o'clock this morning. Immediately after the shooting the robber rushed down stairs and jumped through one of the large side windows in the home and made his escape. County authorities were immediately notified of the shooting and County Detective Wiener has been on the scene all morning on a search for the invader.

There were three robberies in Bentleyville last night, the homes of W. J. Wilson and Mrs. Mable Bedsworth, as well as that of Mr. Richardson being entered, possibly by the same thief. Entrance was gained to the Richardson home through the kitchen door, which had been left unlocked.

Mr. Richardson and family live in the big buff brick house on Main street in Bentleyville, and about one o'clock this morning Mr. Richardson, whose room is on the third floor, was awakened by some noise. The door of his bedroom was standing ajar, and he opened it wide, when he saw a white man standing just outside. Mr. Richardson asked him what he was doing there and started after the man, when the thief pulled a revolver and fired point blank at Mr. Richardson the ball striking him just above the heart. Immediately after the shooting the robber leaped down the stairs, and not waiting to raise a window, plunged through the glass and alighted in the yard at the side of the house.

The community was soon aroused by the shooting, Mrs. Richardson giving the alarm and an immediate search was instituted, but up until this hour there is no trace of the thief and would-be murderer.

Mr. Richardson is a prominent citizen of Bentleyville and is now serving as a justice of the peace. The shooting caused intense excitement in the neighborhood and citizens are assisting county authorities in every way in the search for the man who did the shooting.

TARIFF LEGISLATION.

Washington newspaper writers characterize the action of the House in passing a tariff bill as an effort to aid the agricultural interests, now in desperate straits. This goes far to explain the democratic votes in favor of the measure, fifteen in number, notwithstanding the pronouncement of the party caucus against it.

One Washington paper says: "In the South, protection sentiment has been growing steadily for a score of years in democratic circles. There is now an organization that represents it, and in promoting it, it met in a congress at Atlanta several months ago, expressed itself in resolutions, and showed business and financial quality in its membership. A majority of the democratic party, however, north and south, still holds to the party's old anti-protection doctrine."

WILL CELEBRATE "AMERICAN DAY"

Sunday is expected to be a "big day" in Donora, when Ernest E. Jones Post, No. 212, American Legion, will give a program to fittingly observe "America Day," which will be a demonstration against the activities of the radicals who have heretofore on this date made demonstrations against the American government and American institutions.

The celebration will open at 3 o'clock in the afternoon with a parade, headed by the American Steel and Wire band, the procession ending at Donner Park, where the exercises will be held. The program will open by the raising of the American flag by members of the Legion Post, after which the speaking exercises will begin. Hon. Thomas S. Crago of Waynesburg will be the principal speaker, with Gilbert E. Koedel, Richard Raub of Pittsburgh and F. O. Tabor of Waynesburg as others on the list. It is expected the meeting will attract a large assembly of citizens, who will give, by their presence, approval of the American ideas to be presented, and also to protect against the principles which the radicals have heretofore on this date endeavored to circulate among the people.

BUTTER SHOWS BIG DROP IN ONE YEAR

The department of supplies of the city of Pittsburgh reports a big decrease in the way of prices of commodities over those of a year ago, butter showing a drop of almost 50 per cent. The city's monthly contract for butter was awarded to a dealer who bid 35 7-8 cents a pound. The price last month was 41 3-4 cents, while in May, 1920 it was 66 cents a pound. Strictly fresh eggs are quoted at 26 1-2 c cents a dozen.

CIRCUS IS COMING TO CHARLEROI MAY 14

A big yellow car rolled into the Pennsylvania station this morning on the Uniontown train, coming directly from the Fayette county capital to Charleroi. Aboard were thirty billposters, bannermen and advertising agents of the Carl Hagenbeck and Great Wallace shows, combined which will exhibit in Charleroi on Saturday, May 14.

Twenty-two separate tents are necessary to accommodate the Hagenbeck-Wallace shows, and they are so large that they cover a small farm. The big arena tent is 540 feet in length and among the largest ever constructed. The performance is given in three rings and on two stages. The Carl Hagenbeck wild animals perform in a massive steel girdered arena. More than 300 performers take part in the program.

CONSPICUOUS ROLE BY A LOCAL KNIGHT

M. T. Crowley was one of the chief actors at Forbes Field Friday afternoon, in the presentation of a beautiful bouquet of flowers to John Evers, manager of the Chicago Cubs. Mr. Crowley was a member of the committee to arrange for the affair, and after the flowers had arrived at the park which was after the first inning was played, M. T. bravely left his seat in the left field grand stand, climbed over the rail and paraded to the home plate with the flowers. Umpire Moran stopped the game for a moment, called Evers to the home plate and presented him with the "posies." Then the game was resumed.

WATER COMPANY WILL PLACE FENDER PILING

The Tri-Cities Water company has been given permission by the Federal government to construct a waterworks intake pier and place fender piling at the upstream side of the pier on the left bank of the Monongahela, about 0.7 miles above Charleroi. These improvements are to be made to provide water for a community in excess of 50,000 population.

THIS WOMAN'S EXPERIENCE

Brings a Ray of Hope to
Childless Women

Lowell, Mass.—"I had anemia from the time I was sixteen years old and was very irregular."

If I did any house-cleaning or washing I would faint and have to be put to bed, my husband thinking every minute was my last. After reading your text-book for women I took Lydia E. Pinkham's Vegetable Compound and used the Sanative Wash, and have never felt better than I have the last two years. I can work, eat, sleep, and feel as strong as can be. Doctors told me I could never have children—I was too weak—but after taking Vegetable Compound it strengthened me so I gave birth to an eight pound boy. I was well all the time, did all my work up to the last day, and had a natural birth. Everybody who knew me was surprised, and when they ask me what made me strong I tell them with great pleasure, 'I took Lydia E. Pinkham's Vegetable Compound and never felt better in my life.' Use this testimonial at any time."—Mrs. ELIZABETH SMART, 142 W. Sixth St., Lowell, Mass. This experience of Mrs. Smart is surely a strong recommendation for Lydia E. Pinkham's Vegetable Compound. It is only one of a great many similar cases.

THE FRANKLIN

Less Expense, Less Trouble, Better Service

Franklin economy is enough in itself to justify your choosing a Franklin these days. New conditors have given a new significance to the familiar Franklin figures below.

Yet economy was never the only aim—nor the only good result, of the Franklin. The principles behind it were adopted, and continued, for the superior service they gave in other ways, too.

Light weight makes the Franklin easier and safer to handle; as well as more economical of gasoline; flexibility makes it more comfortable as well as easier on tires; direct air cooling frees it from the annoyance as well as from the expense of radiator troubles.

AN AFTERMATH OF LIQUOR HEARINGS

At a preliminary hearing before Alderman J. J. Michael at Uniontown on Wednesday afternoon, on charges of embezzlement and bribery, Logan Rush of Connellsville, and Edward "Beanie" Layton and Malcolm Ferguson of Belle Vernon were held for court. One other defendant, E. Newton Newcomer, of Redstone township, waived a hearing, and William Franks, on the same charges, did not appear, not having been notified. These cases grew out of the recent liquor trials in Fayette county, in which it was alleged the jurymen had been tampered with.

Lexington THOROBRED WEEK April 25 to 30

A Real Sport Car

More than ever, there is a growing tendency to buy for that hidden fineness within a motor car called "value." The more this instinctive search for true worth becomes intensified, the more the Lexington Thorobred gains in popularity.

It has that fine dependability so marked in every Lexington, arising from the continual efforts of ten affiliated industries. It has a wonderful mechanical action which mellow with the miles; which conserves gasoline as it goes; which gives so much in performance for so little in maintenance expense. It brims with the many exclusive Lexington improvements, such as the famous Lexington, where economy is genuine. Unlike ordinary methods, the engine heat does not over-heat the entire gas charge. A full power charge really gets into the cylinders. The patented Moore Multiple Exhaust System over-rides the power waste of choked gas, a common fault in other makes. Glareless 2-Way Head Lamps, 2-Speed Clutch, 2-Speed Brake, One-finger Emergency, Unified Non-rattle Frame, and other features, prove the extra value of the Thorobred. You must ride in this advanced sport car to know the perfection of its performance. Own it and you will know unbelievable economy and satisfaction. Demonstration on request. Phone us now!

THE KAUFMANN & BAER STORE'S

The Promised KAUFMANN & BAER Sale for "Every Day During May" -- Starts Monday, May 2nd

It is the sale that is on everyone's lips EVERYWHERE. It is the sale for which much is promised—much is expected—the sale that will go beyond all expectations. The K. & B. Seventh Anniversary Sale is to be the store's SUPREME effort in VALUE-GIVING. And GREATER VALUE-GIVING has been the K. & B. policy for SEVEN YEARS. It has been the foundation on which this business was founded. It has been the reason for its phenomenal SUCCESS.

Over SIX MILLION DOLLARS WORTH OF MERCHANDISE--embracing OUR ENTIRE STOCK, and thousands of dollars worth of NEW MERCHANDISE --go into the 7th Anniversary Sale.

We do not believe that another such collection of merchandise has ever been brought together by another store to sell at the low Anniversary Sale prices. Manufacturers who find a big outlet here the year 'round have CO-OPERATED—making enormous concessions. We, in turn, are curtailing our own always fair margin of profit. In many instances MERCHANDISE WILL BE SOLD AT ACTUAL COST TO US.

Please do not look upon this wonderful K. & B. Anniversary Sale as a mere sale. It is an EPOCH MAKING EVENT IN RETAIL MERCHANDISING. The spirit and purpose behind it is much bigger, broader and finer than the ordinary

sale. The real feeling underlying the entire occasion is a desire to express our appreciation of the public good-will, and a wish to reciprocate that sentiment in the only practical way we could think of—A DIVIDEND TO OUR CUSTOMERS. PAID IN STARTLING VALUES.

Preparations for the K. & B. Seventh Anniversary Sale came at a most opportune time. Mills, factories, wholesalers and jobbers have lately been contending with a STAGNANT MARKET. Cancellations and lack of orders left LARGE SURPLUSES of good merchandise on the market for which there was no immediate demand. It was then that the K. & B. Store—with its large staff of buyers—stepped into the market. READY CASH and a QUICK OUTLET—was the bait that closed many startling transactions.

And so the K. & B. Seventh Anniversary Sale is to be an event for ALL. The whole K. & B. Store Family has been keyed to the highest pitch of enthusiasm over the coming sale—and its WONDERFUL BARGAINS. Every resource of this great institution has been called upon—every department is co-operating—every department is participating—EVERYWHERE throughout the store there will be SURPRISES AND BARGAINS.

It will be a sale well worth going to Pittsburgh to attend. Tell your friends about it. Tell them to tell other friends. Make up your shopping parties and plan to come MONDAY to the KAUFMANN & BAER STORE, Pittsburgh!

Plan NOW--Arrange your work so that you can leave on the first train, MONDAY for Pittsburgh--and the great Kaufmann & Baer Seventh Anniversary Sale. Remember the location--SIXTH AVENUE at Smithfield St. Easily reached from every railroad station in Pittsburgh

to "advise" the farmer. The less a man knows about farming problems the more capable he thinks himself of solving them.

There are times, however, when a farmer seeks reliable information.

At such times, at all times, in fact—the facilities of this bank are at the disposal of our farmer friends.
